This is a particularly significant time in your lives and in that of Suffolk University as well. You have faced the challenges of a demanding curriculum and have proven equal to the task. You and your families have much to be proud of and soon you will join a cadre of some 30,000 distinguished alumni of Suffolk University, many of whom hold leadership positions in business and industry, law, education and public and community service.

Since enrolling at Suffolk University you have had the opportunity and the advantages of working with a faculty committed to your intellectual growth and maturity and of being part of a student body diverse in many ways yet sharing of the common bond of the Suffolk University experience. Though you have grown in knowledge and self-confidence, it is understandable that students may be somewhat apprehensive of what the future holds.

But be assured that whether you are immediately entering the job market, or going to graduate school or even if your plans are incomplete, you have been well-prepared for the challenges and opportunities that lie ahead. Along the way you will experience great success, although tinged with occasional frustrations. I urge you to learn from both and to share with others the fruits of your experience, for that is truly the legacy of Suffolk University.

As you prepare to leave Suffolk, I also urge you to continue to be involved in the affairs of this great institution as it continues to meet the challenges of the future. Suffolk Universtiy is in a strong and enviable position and prospects for the future appear very bright. But our present strength has been made possible in large part only by the efforts and resources of thousands of deeply committed alumni and our bright future will be fully realized only if you join with those who preceded you to help pave the way for those who follow. This, too, is the legacy of Suffolk University.

I wish you all well and I hope that you will stay in touch with us as your careers develop and prosper. I promise that you will hear from me from time to time so that you will be informed of the continuing progress of Suffolk University. Good luck to you all.

David J. Sargent
President

Kindergarten, elementary, high school, and finally college graduation. It seems like yesterday that we were sitting in the C. Walsh Auditorium listening to everyone tell us what to expect as freshmen. The idea of going to college was in itself an achievement that we savored, but now it is time to realize it and see what we have done.

Looking back, we paid the tuition and the increases along the years. We stood in line to receive our books. We've taken all the classes, and then some. More importantly, beside our learning together and the expansion of horizons, I believe we have mastered the art of doing things on the run. Yes-, it was tough when we came to school taking two or three classes Monday through Friday, then working 40 to 50 hours a week, then going home to study everything we learned from class, and then if we could find time, we would sleep. Put all this together and we should be proud of ourselves, as we receive our degree.

Now we apply what we have learned for better or worse. We venture out to go into the real world, to prove ourselves and I expect that some of you will go on to be accountants, I expect that some of you will be teachers, and I expect some of you to work on Wall street, and I expect some of you to be public servants. But the most important characteristic of the class of 1990 is that I expect.

Looking forward, I see each and every one of us having the opportunity to make a place for ourselves in this unpredictable world. It's funny as I think back to when people used to say, "You're the future of this country" but now I value those times listening to it and I finally believe that we are and we're ready. This being the case, I think we can all feel good about the future.

Remember, every journey begins with a single step.

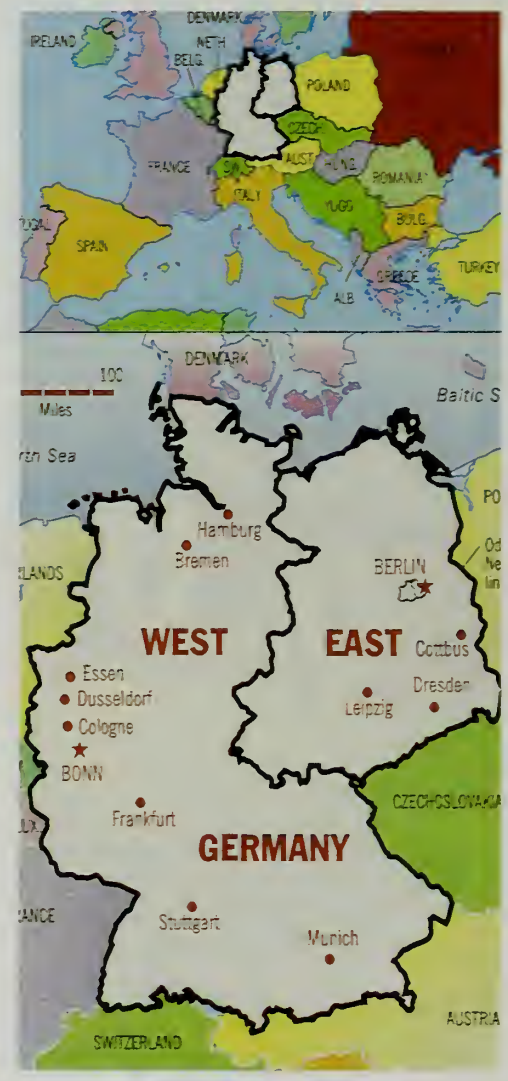
New Images of the World

The 1990's, what will they hold for the World?

Eastern Europe's new found freedom is probably the most remarkable new image of the 90's. Thousands of people will be able to experience capitalism and democracy instead of Communism for the first time. The fall of the Berlin Wall gives Germany the new image of unification in the 90's for the first time since before World War II. Other Eastern European nations such as Romania, Hungary, and Poland will experience the new experience of voting in a democratic election.

Also experiencing freedom in the 1990's is Nelson Mandela, who has been jailed by the South African government for over 20 years. Will all the blacks in South Africa experience such freedom as the abolition of apartheid in this new decade? With more and more changes in the world everyday, this seems more possible

The 1990's may continue the new image for many American companies of being bought out by Japanese companies. While America and Americans seem to fall more in debt, the Japanese economy is flourishing. How long into the 1990's will this pattern continue? Perhaps the 1990's will show a new image of Japanese financial domination.



America's financial problems of bank closings, easy credit, large deficits, etc. is an image that will need to be changed in the 1990's.

Another new image financially in the decade will be the "Massachusetts Miracle." A new governor will take office in November of 1990 and a new image will be brought to Beacon Hill.

Boston is facing a new image of being labeled a violent and racist city. With more deaths and shootings this year than in the past and gang shootings each day, Boston is trying to stop the violence and shed it's new image. Events such as the Stuart Murder case only lead to increased racial tensions in an already troubled city.

More positive new images for the Bay State and Boston include: the depression of the Central Artery and the building of a third harbor tunnel. Also talk of a new Boston Garden Sports Arena may become a reality in the 1990's.

Who knows what other new images the 1990's may have in store for the world and the city of Boston but the next ten years will hold many.

Suffolk University's new facility at 28 Derne Street is a four-story brick building, reminiscent of the early nineteenth-century structure constructed on the site by bookbinder Benjamin Hurd. The building, known to generations of students as Conda's Restaurant, will house various student activity offices.

Spirit Day

Suffolk University's first "Spirit Day" was held on November 29, 1989. The Cheering Club, Program Council, SGA, Council of Presidents, and the Dean of Student's Office sponsored the event. Students were encouraged to wear school colors (blue and gold). A rally was held in the Sawyer Cafe and Suffolk's mascot, the Ram, was there to show his support.

Seniors

The seniors have seen a "new image" take place on Suffolk's campus. They said good-bye to the Ridgeway Building, which housed a lounge, the Student Activities Office, Clubs and Organizations. The seniors took part in the celebration of Founder's Day, marking the official opening of the new Student Activities Center, located on Derne Street. Seniors said good-bye to former President Daniel Perlman and welcomed President David Sargent. the President's Office and the administrative offices moved to the 25th floor at One Beacon Street. The seniors have witnessed these exciting changes of Suffolk University's New Image.

Hitting 1,000

The 1989-1990 Basketball season was highlighted by two outstanding achievements. Ed Cirame and Kelly Harney, both senior co-captains of the Men's and Women's Basketball teams respectively, broke the 1,000 point career mark.

Ed Cirame was a leading scorer and starter for the past three years and an outstanding contributor his freshman year. Cirame broke the 1,000 point threshold in only the 3rd game of the season, a win against Bridgewater State College. The climatic event came on his 22nd and final point of the night — a free throw. Although Cirame was proud and excited about his accomplishment he said he was glad the pressure was off and he just wanted the team to have a good season.

Kelly Harney's moment came in the second half of the season in a win against Emerson College. Harney became only the 3rd woman in Suffolk's history to score 1,000 points. After being a 4 year starter and leading scorer Harney's 2nd half jump shot put her over the 1,000 point mark. The Women's Basketball team made a big deal of the 3rd highest scorer in Suffolk University's Women's Basketball history. However, Harney down played the accomplishment, agreeing with Cirame that she was glad the pressure was off and she wished the overall season could have been more successful.

Activities

Suffolk organizations have sponsored a variety of events this year for students. There were rats, parties, cultural events, and commencement. Students socialized at Friday afternoon rats; drank hot chocolate during the tree lighting; ate Chinese food during the Chinese New Year celebration; memorized trivia for College Bowl; dressed elegantly for the Commencement Ball, and put on their caps and gowns for graduation.

Sports

Suffolk University Athletics competes in the NCAA Division 3 in both Men's and Women's sports. Each year the amount of participation increases as does the quality of the athletic programs offered. The 1989-1990 season saw three athletes achieve incredible goals. Senior Ed Cirame, co-captain of the Men's Basketball team, scored his 1,000th career point during a win against Bridgewater State College early, in the season. Brian Horan, a junior who has been a leading scorer in Divison 3 hockey for the past two years scored the 100th goal of his career also this year. Another 1,000 point scorer was Kelly Harney a senior, co-captain of the Women's Basketball team.

Soccer

The Suffolk Rams Soccer Team went through a growth year in 1989. The young squad compiled more wins than in previous seasons with the highlight being a win over Division I Northeastern University by a score of 3-1. The connection of Ernst Cleophat and Ernst Gurrier was often successful during the season. Freshman Brian Dailey was a stand out in goal all fall, especially against the tough Northeastern team.

This year's squad also had one inteteresting twist, there was a female member. Laura Ubaldino was a welcome competitor as her spirit made her a valuable asset to the team.

With a team consisting of mostly freshmen (8) and a returning first year coach, the team looks forward to a promising 1990 season.

Back Row from L to R: Ernst Cleophat, Laura Ubaldino, Lionel Miranda, Yascan Hassen, James Cox, Coach Vito Catillo. **Front Row from L to R:** Alfonso Rodriguez, Andre Orcel, Brian Dailey, Mike Chimensky.

Women's Tennis.

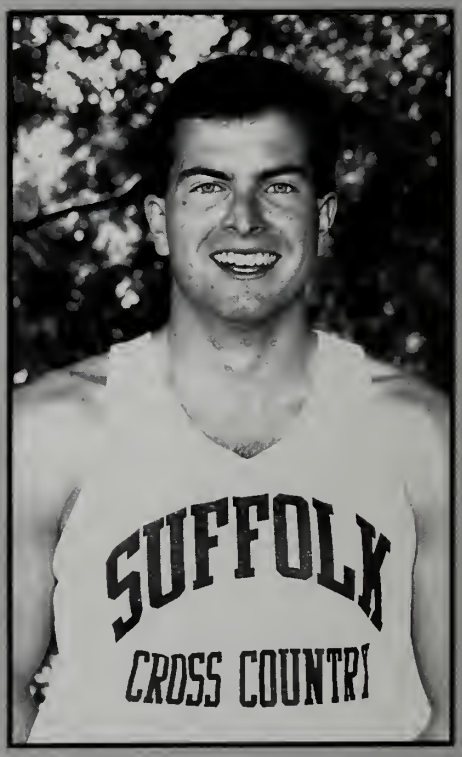
Back Row from L to R: Coach Rich Levinson, Jesse Brown, Sarah Kelley, Theresa Prisco, Renee Mello, Mgr Jim Schofield. **Front Row from L to R:** Mary McGuirk, Andrea Smithson, Ann Sheehan.

The 1989 Women's Tennis Team had its best record since the '83-'84 season. Part of the reason was due to the strong line up of the year. Andrea Smithson and newcomer Jesse Brown held the #1 and #2 spots while Mary McGuirk, Ann Sheehan and Sarah Kelley were very strong and interchangeable in the middle spots. Renee Mello added her spirit and athleticism to the team this year also. Doreen Matta cited team togetherness as a reason for the success of this year. While talking of success, however, it can't be overlooked that the Tennis team plays on some of the finest facilities in the area at Charles River Park, where Coach Rich Levinson is a Tennis pro.

Cross Country

Men's and Women's Cross Country seemed to change places this year, as the usual high number of the men's team was lowered to five and the usually low participation in the women's team expanded to the highest it has been in years. Gerry Cody, Captain of the men's team, didn't complain about the fewer number of teammates, though. He felt that the whole team worked very hard both at practice and during the meets. John Locke, was again the strongest and most consistent runner on the team with the captain not far behind. Jeff Bouffard and Kevin Collannino were also hard at work all season long as was Dan Piccard and Andre Brown.

Having as many as ten women on the Women's team made Captain Leanne Chase's job much easier. There were plenty of teammates for support and all the women worked very hard at improving their performance throughout the season. Newcomers Bridget Toland and Dianne Abraham were the team's two strongest runners all season long, with Kelley Costin coming on strong at the end of the season. The depth of the team helped them finish third in the Division II and III St. Anselm Invitational and earned them a second place finish at the Babson Invitational. Next year's squads look just as strong since the men only lose one senior and the women only lose three.



Back Row from L to R: Coach Joe Walsh, Kelley Costin, Sue Ahearn, Kevin Collannino, Gerry Cody, Jeff Bouffard, John Locke, Dan Piccard, Andre Brown, Jennifer Toner, Assistant Coach Larry O'Toole. **Front Row from L to R:** Colleen Toland, Alicia Bolli, Bridget Toland, Christine Cronin, Leanne Chase, Patty Groves, Diane Abraham.

Men's Basketball

This year's Men's Basketball team was characterized by youth and inexperience. Of the five starting players, two were freshman. Chuck Burns and Dave MacDougal showed much promise for the future as they started at center and forward. In addition to the two starting freshmen, there were three more working hard and contributing all season long.

Coach Nelson relied heavily on Tri-Captains Kevin Noonan, Dave Ferrick and Ed Cirame to provide the leadership for such a young team. Other returning players, Justin Culhane, Chris Delillo and John Cawley also provided leadership when it was needed.

John Cawley had an impressive season hitting many of his jump shots and Kevin Noonan and Justin Cullhane traded off giving out assists as the team's point guards. One highlight of the season was Ed Cirame's scoring 1,000 career points in the first half of the season.

The future of the team looks great as it is only losing two seniors.

Back Row from L to R: Trainer Jim Buccarelli, Scott Burns, Scott Marino, Dave MacDougal, Chris Delillo, Chuck Burns, Dave Vaughn, Mgr Charlie Melanson, Coach James Nelson. **Front Row from L to R:** Justin Culhane, Tri-Capt. Dave Ferrick, Tri-Capt. Kevin Noonan, Tri-Capt. Ed Cirame, John Cawley.

Women's Basketball

This year's women's basketball squad consisted of many returning players. Laura Long and Ann Christine Kruse continued to work hard and get results under the boards while Kelly Harney's outside shot always seemed to fall. Other returning players provided the support for these three high scorers, Co-Captain Meg Leary was back at forward, while Jacquie Walcott continued to help out at guard and Tammy Cordeiro's return in the second half of the season to take over at point guard provided an extra boost to the team's spirit. Unfortunately, however, while Tammy was planning her return, A.C. Kruse, the team's center was injured in an automobile accident and wasn't able to return for several weeks. Shortly after Kruse's injury, Laura Long ruptured a disc in her back and was out for the rest of the season.

While injuries plagued the team in the second half of the season they still managed to put wins together. A highlight of the season was Kelly Harney's jump shot that put her at 1,000 total career points and helped the team to a win over Emerson College. Harney was only the 3rd women in Suffolk's history to reach the 1,000 point goal and her teammates showed her how proud they were of her by presenting her with congratulatory gifts.

Newcomers to the team like Stacy Ciccolo and Sharon Fidler give Co-Coaches Joe Walsh and Doreen Matta something to look forward to next year, especially after losing five seniors.

Back Row from L to R: Co-Coach Doreen Matta, Kelley Costin, Paula Nee, Laura Long, Ann Christine Kruse, Co-Captain Meg Leary, Tammy Cordeiro, Co-Coach Joe Walsh.

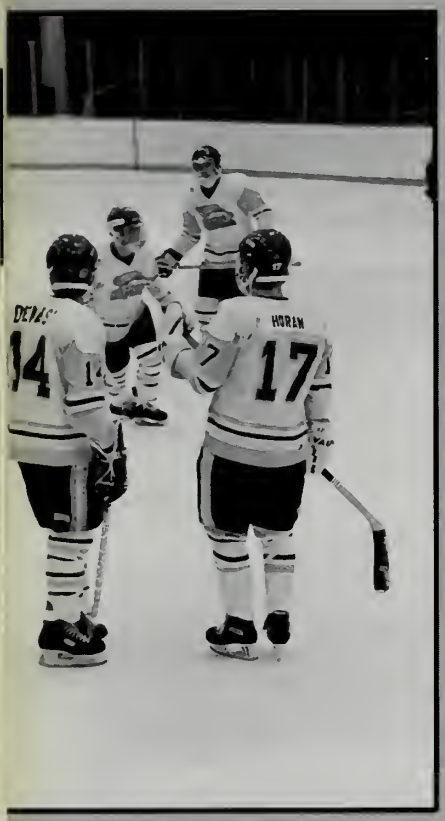
Hockey

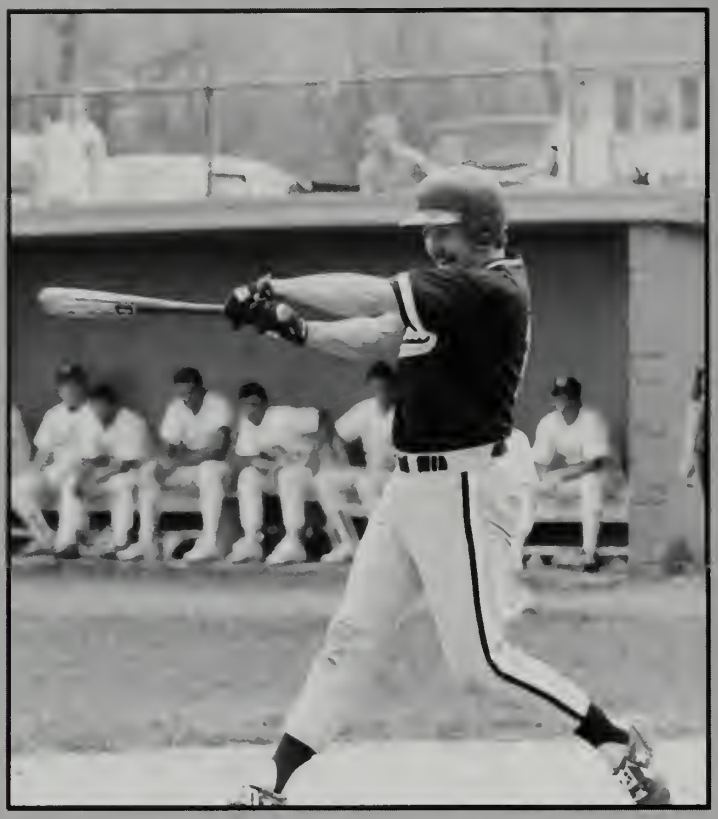
The 1989-1990 Hockey season started with high hopes. Coming off of last year's Division III ECAC playoff berth, the team was hoping to repeat the accomplishment. The spirit and enthusiasm of the previous year carried but the team was soon plagued by injuries. Three returning players were sidelined early in the season, with one being high scoring sophomore Brian Grunning. Brian Horan continued to lead the team and most of the other ECAC teams in scoring and reached the career mark of scoring his 100th goal this season.

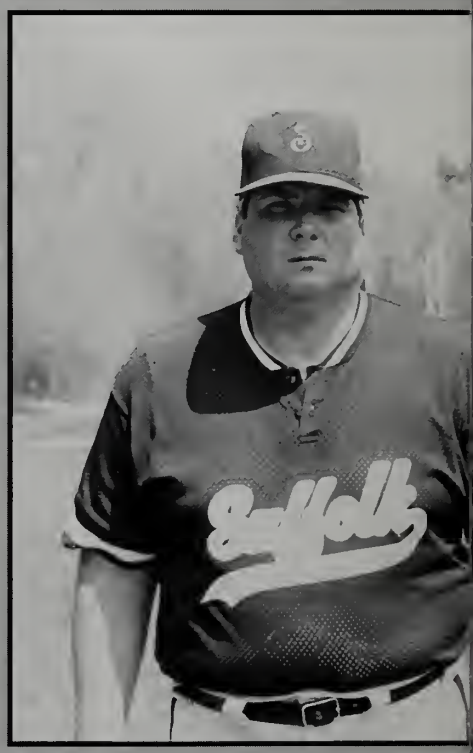
Co-Captains George Eonas and Bob Pacheco tried to spark the club to another playoff season but were unsuccessful. The team played hard and the goaltending of Phil Imbrescia and Jim Iganzio was outstanding as usual, but the team couldn't recover from early injuries.

The next season looks promising for the Rams. With a new coach and strong scorers like Horan and Grunning the team is sure to be successful.



Back Row from L to R: Kevin Wilson, Douglas Grimes, Mike Cotter, William Heyward, Mauro Demaso, Tim Sullivan, Scott Peterson, Sean Davis, Robert Hadad, Chris Levy, Sean Milne, Mark Tsoukalas, Darrin Gold, Bob Piracini, Mark Wall, Co-Capt. Robert Pacheco. **Front Row from L to R:** Brian Horan, Scott Cutliff, Co-Capt. George Eonas, Mike Pearson, Matt Mansfield, Jeff Allen, Phil Imbrescia, Scott English, Sean O'Driscoll, Paul McNamara, Brian Grunning.



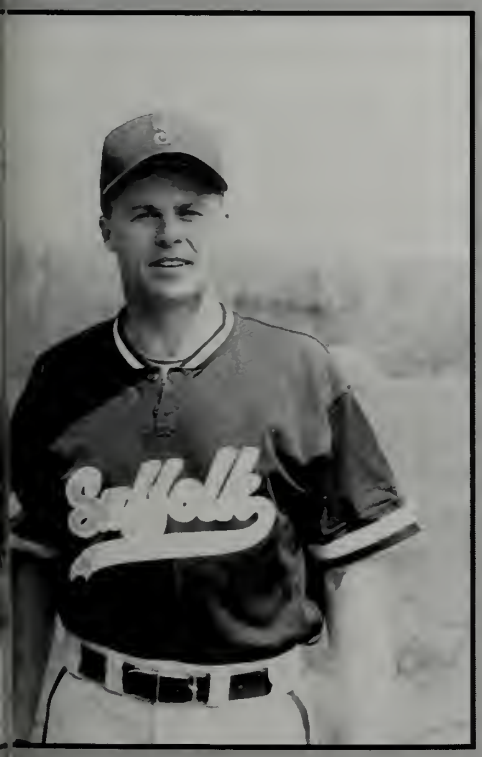


The Team: Co-Capt. Matt Hanley, Steve Galante, Dan Perrotti, Ron Ross, Joe Rizzo, Co-Capt. Mike Lightbody, Dave Marsters, Mike Jewitt, Mike Dickson, Paul Poccio, Jim Scholfield, Chris Bennett, Mike Barnes, O. Conforti, John Favalaro, Charlie Puopolo, Marty Nastasia, Mike Assarian, Coach Joe Walsh, Asst. Coach Gary Donovan, Mgr. Bob Dionne.

Baseball

The 1990 Baseball team started off the year in sunny Florida. After extensive fundraising, the team was able to spend Spring Break in Florida playing baseball against teams like the Red Sox A team. The first highlight of the season came during this trip, when the Rams beat the Phillies A team.

The leadership of Co-Capts. Matt Hanley and Mike Lightbody led the team to a ECAC playoff spot. Newcomers Dave Marsters and Mike Dickson also helped the team to reach this goal. Returning players like Joe Rizzo, Chris Bennett, and Jim Schofield found that by the end of the season the team was looking to pitcher John Favalaro to get the job done. The team is losing five seniors this year but still will have the leadership of Mike Lightbody next year. If the Baseball team continues to be able to pull together and work as a team they should be very successful next year.

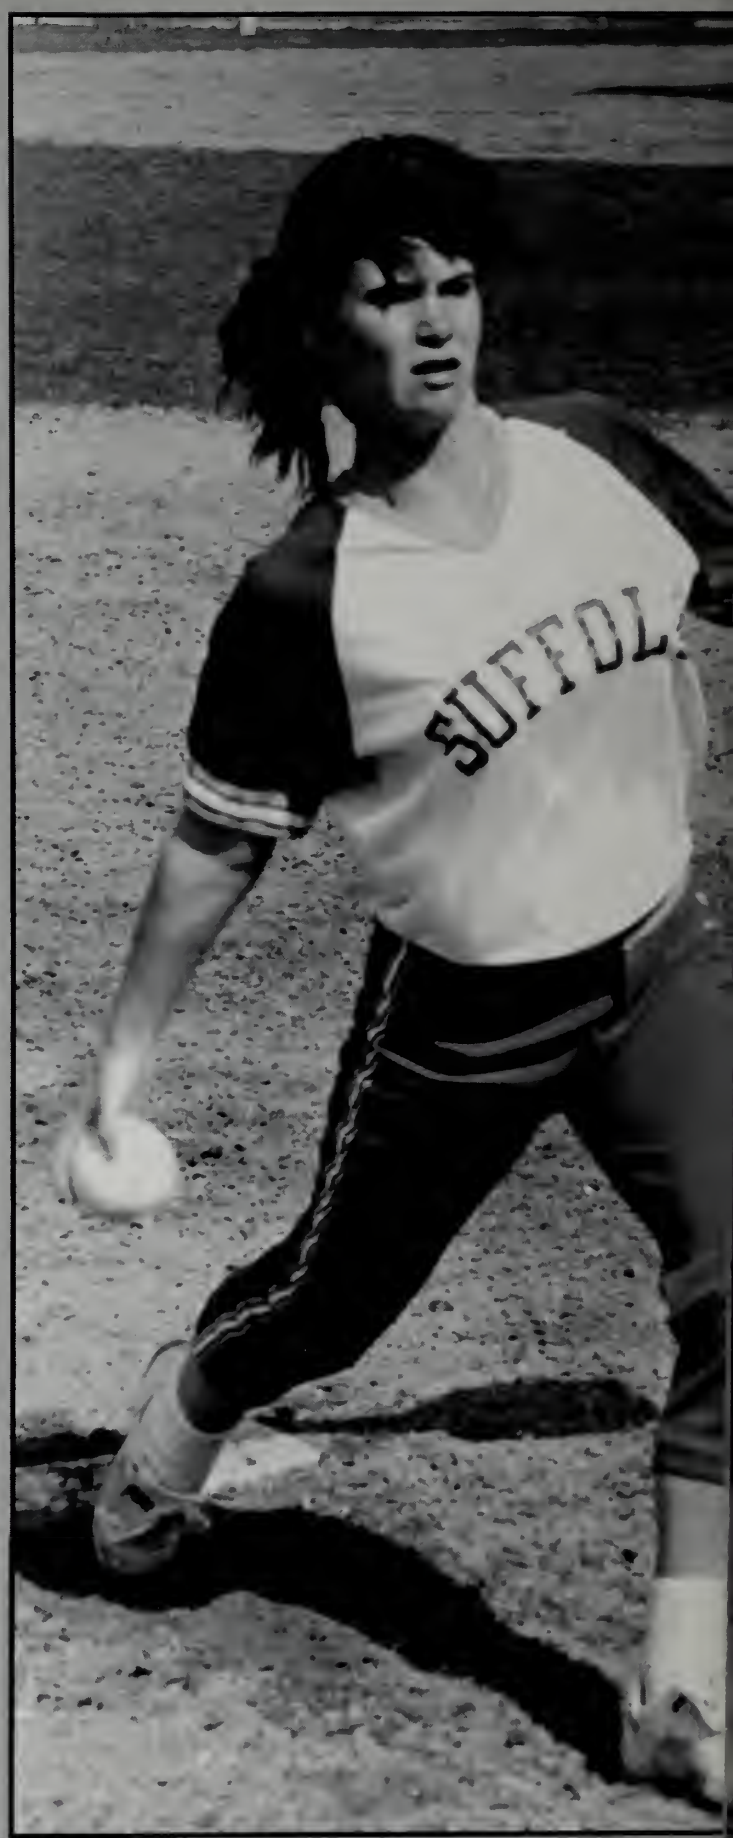


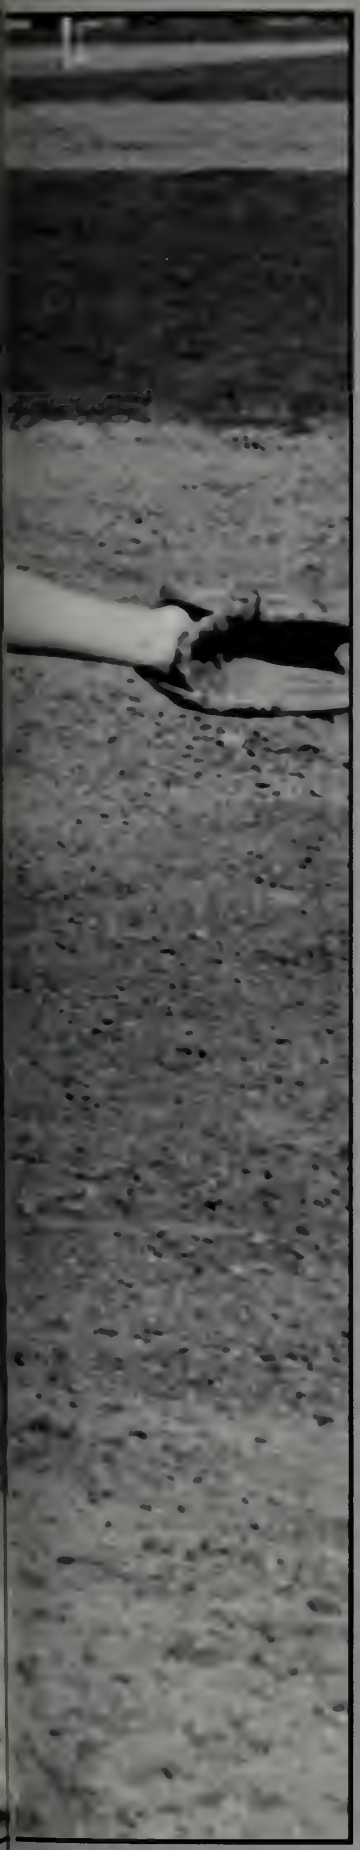
Softball

Doreen Matta's 1990 Softball squad was smaller in number than in years past but stronger with their bats. They had the strongest offense she's seen in a while and they continued to put people on base to make for some close finishes. Building on an already firm defense the offense added to the teams strength. For the first time, the lady Rams had a permanent home in the North End. Other years they traveled the city using various home fields. Coach Matta felt that this was a plus for this year's team and for teams of the future.

Returning players like Chris Ferrara, Renee Mello and Ann Sheehan combined with newcomer Stacy Ciccolo, made up a hard working and strong infield. Freshman Nancy Walsh showed great promise as a pitcher and infielder. Paula Nee, the team's captain, led the offense with Stacy Ciccolo close behind.

Next year's squad will have many challenges to face as the team loses its leaders — Paula Nee and Renee Mello this year.





Back Row from L to R: Coach Doreen Matta, Viki Bernard, Jodi Picardi, Erin Macumber, Theresa Manganello, Stacy Ciccolo. **Front Row from L to R:** Nancy Walsh, Jean Bridge, Kathy LaVita, Renee Mello, Ann Sheehan, Chris Ferrara.

Suffolk

On April 30, 1990 the Athletic Department held its annual Awards Night/Sports Banquet. The festivities included dinner, dessert and awards. All athletes who participated in a sport were invited as well as their parents. This was the first year parents were invited to the banquet and many took the opportunity to come. After dinner came speeches from Athletic Director James Nelson, Dean of Students Nancy Stoll, and then the coaches presented the awards to their athletes. The highest award for each sport is the MVP award, which were presented to:

John Cawley	Men's Basketball
Kelly Harney	Women's
Ann Christine Kruse	Basketball
George Eonas	Hockey
Sarah Kelley	Women's Tennis
Jim Sartori	Men's Tennis
Gerry Cody	Men's Cross Country
Bridget Toland	Women's Cross Country
Ed Allcock	Golf
Chris Bennett	Intramural
Dave Marsters	Baseball
Brian Dailey	Soccer
Stacy Ciccolo	Softball

As well as MVP awards, there are three special awards given to athletes who have somehow excelled. This year's Charles Melanson Unsung Hero Award went to Bob Dionne, who was the manager for the Men's Basketball team and Baseball team and often worked at any game or match where he was needed. The Departmental Recognition Award went to Leanne Chase. And the Alumni-Charles Law, Outstanding Student Athlete went to Women's Basketball MVP Ann Christine Kruse.

Back Row from L to R: Ed Allcock, John Cawley, Brian Dailey, Ann Christine Kruse, Gerry Cody, Dave Marsters, Jim Sartori. **Front Row from L to R:** Bridget Toland, Stacy Ciccolo, George Eonas, Sarah Kelley, Kelly Harney.

ASSISTANT EDITOR
Leanne Chase
ADVISOR
Marjorie Hewitt

To the Class of 1990:
The theme of the 1990 yearbook is ''A New Image''. Leanne and I came up with this idea because of the many changes that were happening on the Suffolk campus at the beginning of the 90's.
Many people have put a lot of time and energy into this book. I would like to thank Sandra Stacey and Joe Lusso for taking candid photographs. Thanks go out to the Suffolk University Public Relations Department and their photographer, John Gillooly. I would like to thank Steve Forslund from Yearbook Associates. Special thanks to Yearbook Associates photographer, Michael Crescitelli, for always being there with a camera ready to shoot photos! The Beacon staff will miss you!
Many special thanks go to John Carrier of Herff Jones Publishing Company, for his patience and understanding during the entire production of this book. The staff and I have worked closely with John on the 1989 and 1990 yearbooks. We will miss him very much!!
I would especially like to thank the *Beacon* staff for their friendship, help and support they gave me every step of the way: Leanne Chase, Michael Killeen and Advisor Marjorie Hewitt. Thank you for being there for two years and for two yearbooks. We did it!! This was a great experience for me. Special thanks to Mike for all the little things you did to make this yearbook possible!
Sincerely,
Deborah M. Eagan
